# AW SUBLI-TRANS SCREEN

Screen Printable Dye Sublimation Transfer Paper

## Product Information Bulletin

**Product Description:**

**AW SUBLI-TRANS SCREEN** is a transfer paper specifically designed for water-based screen print dye sublimation. It is dimensionally stable, has a smooth finish and provides consistent crisp, clean high quality transfers with economy.

**Product Benefits:**

- Made in the U.S.A.
- Consistent Quality
- Dimensionally Stable, Particularly Important when Printing Large Sizes
- Smooth Surface for Clean, Crisp Prints
- Combines High Quality with Economy

**Product Applications:**

**AW SUBLI-TRANS SJ** is a U.S. made water-based screen printable sublimation transfer paper used to transfer images onto banners, flags, team apparel, water and snow skis, snow boards, wake boards, skate boards and more. It is dimensionally stable, especially important when printing large sizes, and produces consistent, crisp, clean high quality transfers.
