

Heat Transfer Papers

1500 Greenleaf Ave, Elk Grove Village, IL 60007

Jet-Pro® SofStretch™

Transfer Paper for Light-colored Substrates

Product Information Bulletin

Product Description:

Jet-Pro® SofStretch™ is designed for the heat transfer of photos and images using inkjet printers to light-colored substrates. It produces a soft stretchable hand and excels at producing crisp color while offering good wash-ability.

Product Benefits:

- Use with Inkjet Printers
- Chose Garments with Tight Weaves
- For Hot Peel Applications from a Commercial Heat Press Only
- Ideal for Transferring Images onto a Wide Variety of Light-Colored Substrates
- Manufactured by Neenah Papers Inc
- Produces a Soft Stretchable Hand and Crisp Colors
- Good Wash-ability

Product Applications:

Jet-Pro® SofStretch™ is designed for inkjet printers for use on light-colored substrates. Great for T-shirts, sweatshirts, mousepads, coasters, puzzles, and leather goods. Best with garments that have a tight weave especially when transferring to sweatshirts. It is designed for commercial heat press application and not recommended for hand iron.
