AW Transfer Blotter Tissue

**Product
Information
Bulletin**

For use with ALL Sublimation Transfer Papers

Product Description:

AW Transfer Blotter Tissue is a specially formulated, light weight exceptional tissue designed for use with ALL Sublimation Transfer Papers. The light weight of the tissue offers excellent economy while the superior tensile strength minimizes or eliminates tearing and web breaks or blow-through.

Product Benefits:

- Light Weight Offers Economy
- Superior Tensile Strength
- Minimizes or Eliminates Tearing, Web Breaks / Blow Through

Product Applications:

AW Transfer Blotter Tissue is used in the sublimation transfer of images while using ANY sublimation transfer paper. Placed to run together with your transfer paper, it protects your prints during the

transfer from ink blow through, breaks and tearing.
